III-A Prefectural Administration And Financial Affairs

(i) Administration

Organization of the Chiba Prefectural Government

April 1, 2004

Governor's Branch

III—A Prefectural Administration and Financial Affairs (ii) Financial Affairs

Chiba Prefecture's budget for the fiscal year 2006 was ¥2,441,799 million, including general accounts and special accounts. This budget was to be used to systematically slim down administration and to strengthen the fiscal structure, with a focus on the "Action Plan for Reforms of Chiba Prefectural Administration and Fiscal Systems", to ensure policies toward regional autonomy and development.

source :Chiba Prefectural website of the Local Finance Division

Budget Size	
General Account	¥1,426,816 million (Change over previous year -17.2%)
Special Accounts	¥1,014,983 million (Change over previous year 39.6%)
Total	¥2,441,799 million (Change over previous year - 0.4%)

*General Account: Account centering around regional public bodies and includes educational expenditures, social security expenditures and public works expenditures

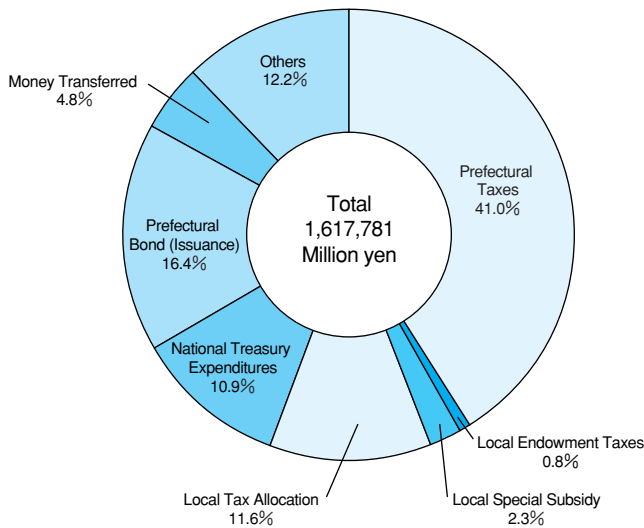

*Special Accounts: Established to accommodate specified revenues and expenditures including public corporation accounts and loans for promotion of small and medium scale enterprises

source: website of Chiba Prefectural Local Finance Division

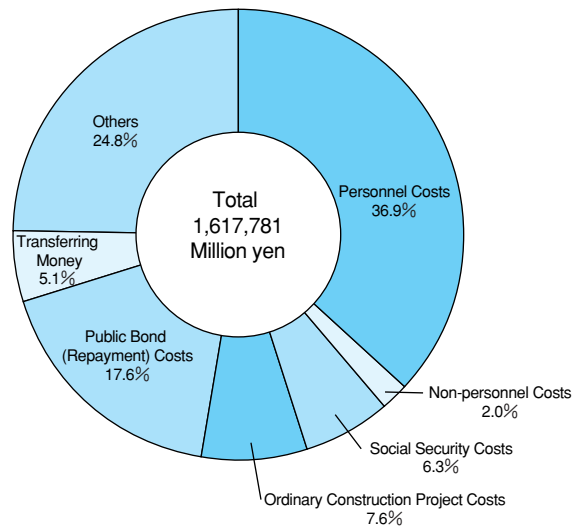

Items receiving particular emphasis in the budget:

- Enhancement of social capital and infrastructure development
- Environmental protection and formation of resource cycling
- Promotion of tourism, high technology, and biotechnology industries
- Enrich living and promotion of culture and sports
- Enhancement of social welfare, health, childcare, and medical services
- Expansion of "eco-farming"
